Privacy Policy

Last updated: February 26, 2026
This Privacy Policy explains how your personal data is collected and processed by the developer of BLACK: AI Oracle when you use our mobile application (the "App").
The App is a subscription-based application (with optional in-app purchases) that provides personalized astrology predictions and natal charts. It also includes rewarded advertisements from AdMob to offer users optional rewards. To maintain high quality and a great user experience, we process information from and about you to improve the App, support internal operations, and deliver advertisements.

We update this Privacy Policy from time to time. If we make changes, we will notify you by revising the date at the top of the policy and, depending on the specific changes, we will provide you with additional notice or require renewed consent.

Collection of information
Information we collect automatically through the App

When you access or use the App, we automatically collect general information about you, including:

- Log Information: We log information about your use of the App, including the type of device you use, the features you use, access times, and your IP address.
- Device Information: We collect information about the device you use to access the App, including the device manufacturer, device model, device's OS, time zone, and language.
- Device identifiers: We collect online identifiers of the device you use to access the App, including IDFA, Google Ads ID, Google Device ID. These may be used for delivering rewarded advertisements.
- Usage Information: We collect information relating to your use of the App, including your progress, interactions, and achievements.
- Consumption information: We collect information about your consumption habits relating to your use of the App, including purchases you make and interactions with rewarded ads.

Information you provide directly

During the onboarding process after registration, we collect the following personal information to generate personalized astrology predictions and natal charts:

- Name
- Date of birth
- Time of birth
- Place of birth

This information is used solely for querying astrology APIs to create natal charts (including planets, houses, and ascendant) and is not used for AI processing, advertising, or any other purposes.

Information we collect from other sources
If you log into the App using a third-party service such as Apple Sign-In, Google Sign-In, or email authentication, we access information about you from that service, such as your name, email address, and profile information, in accordance with the authorization procedures of such third-party service, provided you have given consent.

You can learn more about how these third-party services process your personal data in their respective privacy policies:

- Apple: https://www.apple.com/legal/privacy/
- Google: https://policies.google.com/privacy

If you log into the App using a third-party service, you represent and warrant that your access and use comply with their terms and that you are over the minimum age limit prescribed by legislation in your jurisdiction.

Use of information – purpose and legal basis

We use information about you for the following purposes in accordance with the legal bases:

- Log, device, usage, and consumption information and device identifiers are processed:
    - To provide and deliver the services you request, including astrology predictions, natal charts, and rewarded advertisements.
    - To maintain the App and user experience.
    - To send technical notices, updates, security alerts, and support messages.
    - Processing is necessary for the performance of a contract (Article 6(1)(b) GDPR).
    - To monitor and analyze trends and usage.
    - To provide users who have consented to share their advertising IDs with our ad network partners (e.g., AdMob) for serving personalized rewarded advertisements.
    - Processing for the above purposes is justified by legitimate interests (Article 6(1)(f) GDPR). The disclosure of your advertising ID to third parties for behavioral advertising is based on your consent (Article 6(1)(a) GDPR).
- Information provided directly (name, birth data) is processed:
    - To query astrology APIs for generating personalized content.
    - Processing is necessary for the performance of a contract (Article 6(1)(b) GDPR).
- Information from other sources is processed:
    - To facilitate authentication and deliver services.
    - Processing is necessary for the performance of a contract (Article 6(1)(b) GDPR).

We only process your information to the extent necessary to achieve these purposes. For personalized ads, we request your consent via the App Tracking Transparency framework on iOS.

Storage of information

Your personal data is stored on secure servers and is accessible only to you through the App. Data is retained for as long as necessary to provide the App's services or fulfill the purposes described, unless required for legal claims or compliance.

Birth data and other personal information are deleted or anonymized no later than three (3) years after your last interaction, or upon your request. Advertising-related data is retained in accordance with AdMob's policies.

Sharing of information

We disclose information to the following categories of recipients based on GDPR Articles 6(1)(b), 6(1)(c), and 6(1)(f):

- Astrology API providers for generating predictions and charts (with equivalent data protection).
- Ad network partners, such as Google AdMob, for delivering rewarded advertisements (based on consent for personalized ads).
- Third parties if required by law, legal process, or in connection with mergers/acquisitions.
- Authorities if necessary to protect rights, property, or safety.

The recipients' use is not covered by this Policy; review their policies.

We use data processors such as:

- Firebase (Google LLC) for authentication and storage: https://firebase.google.com/support/privacy
- Google AdMob (Google LLC) for rewarded advertisements: https://policies.google.com/privacy

Social sharing features

The App may offer social sharing features. You must be over the minimum age to use them.

Children

Use of the App is limited to users aged 13 years and above (16 in EEA). By using the App, you warrant you meet this age requirement.

For questions about children's privacy, contact us at skayone1@gmail.com.

Transfer to third countries

Data may be transferred outside the EEA to entities with appropriate safeguards, such as Standard Contractual Clauses or adequacy decisions.

Security

We take reasonable measures to protect your data from loss, theft, misuse, and unauthorized access.

Push notifications

We may send push notifications if you agree; deactivate via device settings.

Does the developer "sell" personal data?

We do not sell your personal data. However, disclosures to third parties for business purposes (as under “Sharing of information”), including to AdMob, may be interpreted as a “sale” under CCPA. Contact us to opt-out.

YOUR RIGHTS

Rights of EEA residents

We process requests without undue delay, within one month (up to three months for complex cases, per Article 12 GDPR).

Right to request access

You have the right to access data we process about you (Article 15 GDPR), including purposes, categories, recipients, and storage period. You may obtain a copy, subject to restrictions for intellectual property.

The right to object

You may object to processing based on legitimate interests (Article 21 GDPR). We will cease unless compelling grounds exist. Object to direct marketing at any time.

Right to rectification

You have the right to rectify inaccurate data (Article 16 GDPR).

The right to restriction

You may restrict processing in certain cases (Article 18 GDPR).

The right to withdraw consent

Withdraw consent at any time (Article 7 GDPR); it does not affect prior processing.

The right to data portability

Receive and transmit data based on consent or contract (Article 20 GDPR).

Rights of California residents

We respond to verifiable requests within 45 days (up to 90 with notice). Disclosures cover the prior 12 months.

Right to opt out

Request we stop "selling" personal information under CCPA.

Right to be informed

See this Policy for data categories and purposes; updated annually.

Right to disclosure

Request collected data from the past 12 months, including categories, sources, purposes, third parties, and specifics (free, twice yearly).

Right to deletion

Request deletion of data from the past 12 months, subject to exceptions (e.g., service provision, legal compliance).

Data Deletion Request

Email us to erase unnecessary data.

Right to equal services and prices

No discrimination for exercising CCPA rights.

How to exercise my rights

Contact us at skayone1@gmail.com. We verify identity using available data; may decline if unverifiable.
